E.C.No.18 of 1908-09. In the reports of epidemic diseases among human beings interchanged by District medical and Sanitary Officers, it is very desirable to add also outbreaks of diseases among horses and cattle. Now in Six District Head quarters except Shimoga and Tumkur, there are Veterinary Hospitals in charge of qualified Veterinary Assistants and in Shimoga and Tumkur also, hospitals will soon be established. The prevalence of epidemics among cattle and horses may be ascertained from the Veterinary Officers
